1. VINTAGE GOLDEN TUBE by Corum

18-carat white gold cylindrical timepiece, which is a re-edition of a 1957 watch of the same name. Tube set with 342 gemstones totalling 3.58 carats, fluted crown positioned at 12 o'clock and adorned with a white mother-of-pearl cabochon, diamond set or mother-of-pearl dial with three diamonds at 3, 6 and 9 o'clock, alligator strap and limited to 30 pieces in white gold and 30 pieces in red gold.

2. CAPRICE TIGER by Ulysse Nardin

White gold timepiece equipped with a UN-13 mechanical self-winding movement with 42-hour power reserve. Hours and minutes, emeralds and rubies adorn the dial, diamond set case and bezel, diamond set 22-carat gold rotor, anti-reflective sapphire crystal, open case back with sapphire crystal, choice of satin or galuchat strap or white gold bracelet, water resistant to 50 metres and limited to 28 pieces.

3. CAPUCINE by Damoiselle D

Rhodium plated 18-carat white gold 35mm timepiece equipped with an ETA E01-701 movement. Functions: hours and minutes. Dial and bracelet snow-set with 360 diamonds of VVS1/F-G quality, totalling 3.36 carats.

4. CHRYSTALBALL BAMBOO WHITE DIAMOND by Badollet

18-carat, palladium-coated, white gold timepiece equipped with a manual winding movement with flying tourbillon and 120-hour power reserve. Open work and mother-of-pearl dial, bezel set with 52 diamonds (6.70 carats), various choices of dial rings including sapphire, white gold, titanium or zirconium ceramics, anti-reflective sapphire crystal and caseback, matt or glossy hand-sewn white alligator strap with folding clasp.

5. LADY TOURBILLON by Zenith

18-carat white gold 40mm tourbillon equipped with the brand's El Primero 4029 automatic movement. Hours and minutes, silver-coloured dial with diamond set indexes, case set with baguette diamonds of Top Wesselton quality, sapphire crystal with anti-reflective coatings on both sides, galuchat strap and water resistant to 30 metres.
